

This guide will walk you through adding Society TV to your BOX. This is being provided as a backup to your main tv service in the event it goes offline. To add the Society TV portal, you will need to follow the instructions below.

Open MYTVONLINE

Press Three Dashes – Main Menu

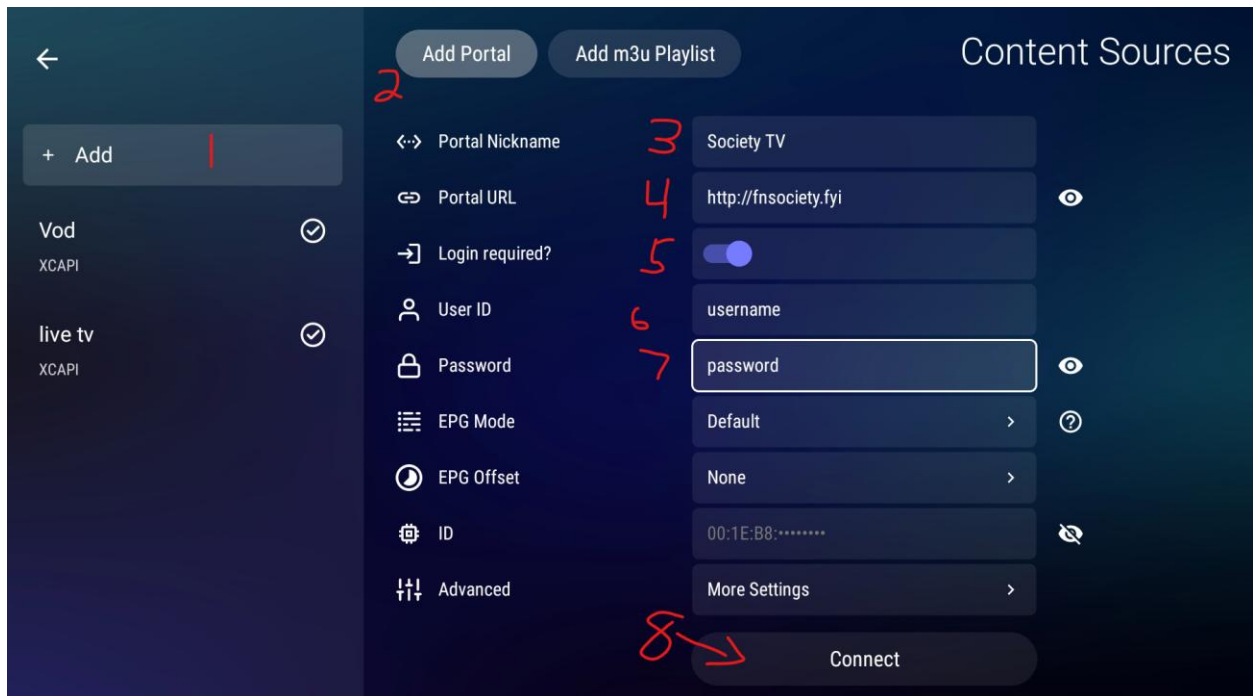

Scroll down to Content Manager and then click content Content Sources as shown below!

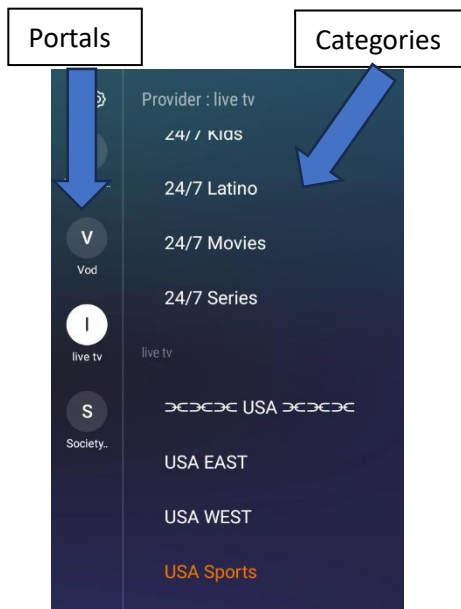

Follow the numbered steps below (image below as a guide)

- 1) Click +Add
- 2) Click Add Portal
- 3) Portal Nickname "SOCIETY TV"
- 4) Portal URL = <http://fnsociety.fyi>
- 5) Login Required = Yes
- 6) Username = YOURUSERNAME
- 7) Password = YOURPASSWORD
- 8) Click Connect

Once you add the portal you accept all the defaults in the setup wizard. Then you should see all the of the portals you have on the left-hand side when viewing the categories. Or you can just scroll down the playlist, and it will be in sequence.

In the event that the “Live TV” portal goes down you will need to come back to this screen to switch to the “Society” portal.
